Library Operational Goals
2018-2019

Information Literacy

**Strategic Plan Alignment:** Academic Excellence #1

Audit and document current information literacy programs in each academic department in light of faculty retirements and departures, new faculty and programs, curricular changes, and student needs.

Explore the ACRL *Framework for Information Literacy for Higher Education* and its implications for the Elmhurst College information literacy program and specifically for the information literacy skills tag.

Review and incorporate assessment date from the I tag assessment questionnaire and the AIA English 106 IAI Assessment Project in the design of the information literacy program.

Assessment

**Strategic Plan Alignment:** Academic Excellence #1

Create a library assessment plan based on the new ACRL Standards for Libraries in Higher Education.

Library Collections

**Strategic Plan Alignment:** Academic Excellence #1, #2, #7, #8

Build library collections to support new curricular initiatives (Environmental Studies, Media Studies, new graduate programs)

Develop programs to create, curate, and promote digital image collections.

Continue to refresh and shape all library collections.

Implement the EBSCO EDS system to provide improved access to all library collections.

Collaborate with the Music Department to organize and provide access to the Sorenson Jazz Collection.

Undergraduate Research

**Strategic Plan Alignment:** Academic Excellence #5, #7

Develop programs and services to support CASE.

Design and promote CASE projects for first year and upper class students to create and curate digital image collections.

Library Space

**Strategic Plan Alignment:** Academic Excellence #4, Campus Infrastructure #1, Student Experience #3

Complete Learning Center and Library Renovation Project
Develop collaborative programs and services with the Learning Center and the Wiegand Center for Professional Excellence with particular focus on developing additional resources and strategies for the emotional, social, academic, intellectual and financial success of our students.

**Library Staff**

**Strategic Plan Alignment:** Workplace Environment #1, #3

Develop a library staffing plan

50 hours of staff professional development
